Chairperson Rebecca Brumagin opened the meeting at 3:05 pm

Members Present: Rebecca Brumagin, Ed Mulkearn, Colleen Meeder, Donny Wessinger

Members Absent: Jay Gould, Bill Ward, Mark Persons

Others: Dave McCoy, Bill Boria

ACTION/DISCUSSION ITEMS – The acceptance of the Findley Lake and Peek'n Peak Sanitary Sewer Study Feasibility Assessment was proposed by Chairperson Brumagin. Ed Mulkearn motioned to accept the Study. Colleen Meeder seconded the motion, which was approved unanimously.

The participation of the Peek n' Peak resort and the Town of French Creek in a joint sewer district was discussed. Donny Wessinger said Peek n' Peak's management met and reviewed the Feasibility Assessment, but had not reached a conclusion. They plan to retain a consultant with experience hospitality/destination development to help guide their decision-making. Wessinger said he would reach out to the Sewer Agency to schedule the next meeting once they had talked with the consultant.

MOVED by Mulkearn, Seconded by Meeder and duly carried, the meeting was adjourned at 4:00 pm.

Respectfully submitted,

David L. McCoy, Chautauqua County Watershed Coordinator
